PRACTICE INFORMATION (continued)

Provider and Practice Sidebar

If a physician is currently in either of the Physician Locator or COE programs, the Provider Information will be prepopulated for the physician to review and confirm.

- 4 Click the pencil icon to edit information.
 - Practice Information should pre-populate in the form with the first address in the database. Additional addresses should populate to the left. If the address is not correct, click the pencil icon to edit.

5 Click the Next button to scroll to **Submission Certification**.

6 Read and accept all box attestations and Enter [physician] Name

• Click "Save Progress" if you need to come back to this later.

7 Click the Submit Application button.

- If physician is currently in the Physician Locator/COE Program, the physician is automatically taken to the dashboard.
- If there are any discrepancies in confirming physician's information, Gateway team will review/ approve and you will be notified via email.

8 Once you can login and view your dashboard your Physician Locator application has been approved. You will also receive a confirmation email with approval.

The nequeroments to requalify for the Physical Locator are to complete at los 10 gauge within the last 12 months with limit 7 completed in the last 1 months, a to complete at lication on physican aducation module in the last 12 months.

PHYSICIAN

View Recent Activity and Status

• Dashboard will display the 3 most recent activities.

2 Program status will be listed — Physician Locator or COE.

3 The Renewal Due Date will indicate Month, Day, Year of when renewal is due.

Progress to Date Tracking

The number of cases and qualifying education activities displayed are those that fall within your renewal period and are based on Teleflex records.

Physician Locator

- Cases completed out of the 10 patient cases required in the 12 months prior to renewal date.
- 2 Cases completed out of the 5 required in the 6 months prior to renewal date.

Center of Excellence

Interested in COE? Click on the Add Patient Case button or Upload an approved IPSS tracker to initiate tracking for COE program. *Please note, in the COE section, the number of cases and education will not display until you submit for review.*

- Cases Completed out of the minimum 60 required.
 - Please check box to attest to completion of 60 or more cases required during submission timeframe.
- 2 IPSS Patient Data out of minimum 30 cases required.
 - Submit patients by entering one at a time OR
 - Upload the approved IPSS Excel spreadsheet.
 - Click Saved Patient Cases to view compiled data chart.
- Once Step 1 and 2 are completed, please click "Submit for Review."

Physician Educational Requirements for Initial designations will appear once Step 3 is completed.

- Initial designation 2 required; Re-designation 1 required.
- 5 Calculate IPSS % Improvement.
 - This will be live once physicians have input the patient data.
- 6 If status is for re-designations please click Submit button for review.

MESSAGES AND SETTINGS

Messages

- All sent messages will be displayed in bold and sorted by date.
- When physician selects an item for reading, message contents will be displayed in a pop-up window.
- Physician can check boxes to take action on messages. Checked boxes will turn yellow.
- The ellipsis in the top right will bring up 2 options: Mark As Read or Delete.
- Deleted items will be updated to "Deleted" in the database and not displayed in the future.
- Once item is read, or Marked as Read, the Gateway will be updated to state it has been read.

Profile Settings

- By clicking Edit, you will be able to make changes to your profile.
- All items are required as with the Registration Form.
- You can update addresses and your primary location here.
